By indicating that I have reviewed and understood this Medical Waiver Form and clicking on the “Place Order” button, I certify that I do not have any of the conditions listed above. I also acknowledge that I have been advised by iHear Medical, Inc. that the FDA has determined that **my best health interest would be served if I had a medical evaluation by a licensed physician** (preferably a physician who specializes in diseases of the ear) before purchasing a hearing aid. After such advice, I voluntarily sign this waiver and state that I do not wish to have a medical evaluation before purchasing a hearing aid, that I understand and agree with the above statements, and that I am 18 years of age or older.
